Advice to Holders of Euroclear Sweden Registered Common Shares

Shareholders who hold their common shares (“Euroclear Registered Common Shares”) through Euroclear Sweden AB, which common shares trade on the NASDAQ Stockholm, are not registered holders of common shares for the purposes of voting at the Meeting. Instead, Euroclear Registered Common Shares are registered under CDS & Co., the registration name of the Canadian Depository for Securities. Holders of Euroclear Registered Common Shares will receive a voting instruction form (the “VIF”) by mail directly from Computershare AB (“Computershare Sweden”). Additional copies of the VIF, together with the Information Circular, can also be obtained from Computershare Sweden and are available on the Corporation’s website at www.international-petroleum.com. The VIF cannot be used to vote common shares directly at the Meeting. Instead, the VIF must be completed and returned to Computershare Sweden, strictly in accordance with the instructions and deadlines that will be described in the instructions provided with the VIF.
